How to integrate *English Grammar for Students of Spanish* in your language course

Consult the list below which correlates the grammatical terms covered in beginning Spanish courses with the relevant chapters in *English Grammar for Students of Spanish* (“O&H Study Guide”).

Students will get help with their homework and **instructors** will get help with their syllabus.

For the Student

Before your first class

Read the “Study Tips” and “What’s in a Word?,” pages 1–9.

In preparation for each lesson

1. Search under GRAMMATICAL TERMS for the terms covered in the upcoming lesson.
2. Read the corresponding RELEVANT CHAPTERS that explain concepts applied in the MAIN CHAPTER.
3. Read the MAIN CHAPTER that explains each term as it applies to English and to Spanish.
4. Follow the STUDY TIPS for advice on memorization.
5. Now you’re ready to go to your textbook and do your homework.

For the Instructor

In preparation for your syllabus

1. Under GRAMMATICAL TERMS select the grammar covered in each lesson and integrate the corresponding chapters into your syllabus. Students should read your selections before doing their assignment or coming to class.
2. In class you will be able to rely on a common grammatical vocabulary (verb, noun, direct object, etc.) and devote class time to teaching Spanish and developing communicative skills.

The O&H Study Guides are available for students of:

Spanish
French
German
Italian
Latin
Russian
Japanese
Arabic
Chinese

To place an order, please visit:
www.oliviahill.com

We wish to thank Kimberly Vinall, De Anza College, California, Spanish Consultant for the O&H Press, for her guidance on this project.
