

# English Grammar for Students of German

The Study Guide  
For Those Learning German  
Sixth Edition

Cecile Zorach  
Charlotte Melin  
Adam Oberlin

GERMAN

## How to integrate *English Grammar for Students of German* in your language course

Consult the list below which correlates the grammatical terms covered in beginning German courses with the relevant chapters in *English Grammar for Students of German* ("O&H Study Guide").

**Students** will get help with their homework and **instructors** will get help with their syllabus.

### For the Student

#### *Before your first class*

Read the "What does English have to do with German?" and "What's in a Word?," pages 1–8.

#### *In preparation for each lesson*

1. Search under GRAMMATICAL TERMS for the terms covered in the upcoming lesson.
2. Read the corresponding RELEVANT CHAPTERS that explain concepts applied in the MAIN CHAPTER.
3. Read the MAIN CHAPTER that explains each term as it applies to English and to German.
4. Follow the STUDY TIPS for advice on memorization.
5. Self-test your comprehension by going to the corresponding chapter in the German REVIEW BOOKLET you can download from [www.oliviahill.com](http://www.oliviahill.com).
6. Now you're ready to go to your textbook and do your homework.

### For the Instructor

#### *In preparation for your syllabus*

1. Under GRAMMATICAL TERMS select the grammar covered in each lesson and integrate the corresponding chapters into your syllabus. Students should read your selections before doing their assignment or coming to class.
2. In class you will be able to rely on a common grammatical vocabulary (verb, noun, direct object, etc.) and devote class time to teaching German and developing communicative skills.

We wish to thank Nikolaus Euba, Department of German, University of California, Berkeley, German Consultant for the O&H Press, for his guidance on this project.

The O&H Study Guides are available for students of:

Spanish  
French  
German  
Italian  
Latin  
Russian  
Japanese  
Arabic  
Chinese
